

Free 11+ preparation and KS2 learning support for disadvantaged students

Dear Parent / Guardian,

We're pleased to let you know that Borden Grammar School has partnered with [Atom Learning](#), the leading 11+ preparation and Key Stage 2 learning website, to provide free KS2 learning and 11+ support to primary school children who are eligible for Pupil Premium.

BGS is proud to be open to students from all backgrounds and the goal of this partnership is to encourage even greater representation at our school. **Eligible students will receive access to Atom Home for free (normally £575.90 a year).**

What is Atom Home?

Atom Home is an online learning and exam preparation platform for ages 7-11, designed to build children's confidence with Key Stage 2 learning objectives and familiarise them with the style of questions they may see in the 11+.

Covering English, maths, verbal reasoning and non-verbal reasoning, children can practise 11+ questions and explore learning resources, mock tests, video tutorials, and exam preparation materials.

Do you know someone who is eligible?

If you know someone whose child is preparing for the 11+, or is in need of extra Key Stage 2 learning support, please share this link with them:

<https://www.bordengrammar.kent.sch.uk/information/admissions-and-borden-test-application>

After completing the form on this page, their primary school will receive a notification to verify their pupil premium eligibility. Once confirmed by their school, their Atom Home account will be created.

If you would like to find out more, please email pupilpremium@atomlearning.com.

Yours sincerely,

Symone Irinoye

Borden Grammar School
