Dear Parent/Carer,

Re: Casio FX-991CW Advanced Scientific Calculator

I am writing to offer you the opportunity to purchase one of these calculators to help your son/daughter with their A level Statistics course. It is a model that they are allowed to take into their examinations and is an essential piece of kit because of the functions and statistics it is capable of doing. I whole heartedly recommend that your son/daughter has one. I have been able to secure the purchase of them at the discounted price of £20.50. (At the time of writing this letter these specific models are being sold on Amazon at £29.98 and the RRP is £35.99.)

Should you wish to purchase one of these then a payment can be made via the BGS online payment system. Details of how to make online payments have been issued in personalised letters for each student's parents. If you require a new copy, please contact the Finance Officer, Mrs Rich, at rich@bordengrammar.kent.sch.uk and she will send one out. If cash payments are made, students must deliver them in person to the Finance Officer or Bursar and a receipt will be issued. Cash payments can only be accepted at morning registration or morning break and **MUST NOT** be posted through the Finance Office letter box.

Please return the attached form to order one. Once the one-off payment has been received a calculator will be issued to your son/daughter if there is one in stock or as soon as the order has arrived. The deadline for making the order is **Monday 27 September 2024**.

Yours sincerely,

Mrs E Carter
Head of Mathematics

Headteacher: Mr A Tomlin MA NPQH
