Dear Parents/Carers,

This year, our Student Leadership Team, led by the School Captain, is keen to celebrate the fantastic inclusivity we have within our school. One of the ways they are celebrating diversity is through running a 'Culture Week' from the 11th to the 15th of November 2024. Students will be raising money for two charities during this time, BAME Hub UK and Race Equality Foundation.

During the course of the week, all students will experience a range of activities in form time to raise awareness of different cultures, including quizzes and assemblies, all of which will be planned by the School Leadership Team. The canteen will be serving a variety of different foods, and the week will culminate in an own clothes day on Friday 15th November, where students are encouraged to dress in celebration of their culture. Those students who do not want to dress in cultural outfits are welcome to wear their own clothes. Students will be asked for a donation of £1 for this day.

I am sure you will agree that this is a positive way to celebrate the diversity we have within our school community. We hope that the students will enjoy what is planned for them, and please do not hesitate to get in contact with any questions.

Kind regards,

Miss Powell
Assistant Headteacher
