Welcome to Borden Grammar School!

We are so pleased that you have chosen to join the Borden Grammar School community.

My name is Miss Irinoye and I will be your Head of Year during your first year at Borden. I will be on hand to help you settle into school life and am someone you can come to if you have any concerns at any point.

We know that the transition to secondary school may seem like quite a big change and you may be leaving some old friends behind! Here at Borden we are working hard to ensure that your transition to secondary school is as smooth as possible. Within this booklet you can find key information about the school and what to expect when you start in September.

As your Head of Year, myself and the Year 7 Pastoral team will do our best to ensure that your first year at Borden is enjoyable and that you take advantage of the fantastic opportunity that being a Borden Grammar boy presents.

Background Information and the History of our School

Borden Grammar School was founded as an independent day and boarding school in 1878, the original building is now the Adult Education Centre off College Road. In 1928 the present main building was completed; the Short Building was added in 1998. The school is now a Grammar School for boys, with Academy status and has a mixed Sixth Form.

The school badge has a navy field divided by a gold chevron. On the field there are three crescents representing sons of sons - the generations of boys educated here. Our motto *nitere porro* means "to strive forward".

When you walk around school you will notice many memorials to past boys. The Cricket Pavilion is dedicated to the boys who were killed in the Great War. The school clock tower is dedicated to the boys who were killed in World War II. A third war memorial is found in the entrance hall; there is a plaque over the door and a memorial book in a glass case.

Early academic memorials are found in the Hall, and you will find rooms, benches and paintings dedicated to former staff and boys. In the Library there are many books written or published by Old Boys of this school, your school.

We are very proud of our school's history and hope you are excited about joining us in order to be part of it too!

The Borden Values and Our Expectations

You will see the Borden Values tree around school and in all classrooms. The six values that all staff and students aspire to were designed by our current pupils and represent the things they felt were most important to us in order to be safe, happy and successful during our time here. These values will be regularly discussed in assemblies and form times and rewards given out where staff can see you clearly demonstrating any of these values.

Rewards

At Borden we like to celebrate all successes, not just academically but also those that display our Borden Values whilst at school.

Teachers always look to award students with achievement points for displaying positive behaviour whilst learning and also whilst you make your way around the school.

We also have various rewards systems that you will become a part of when you join us in September

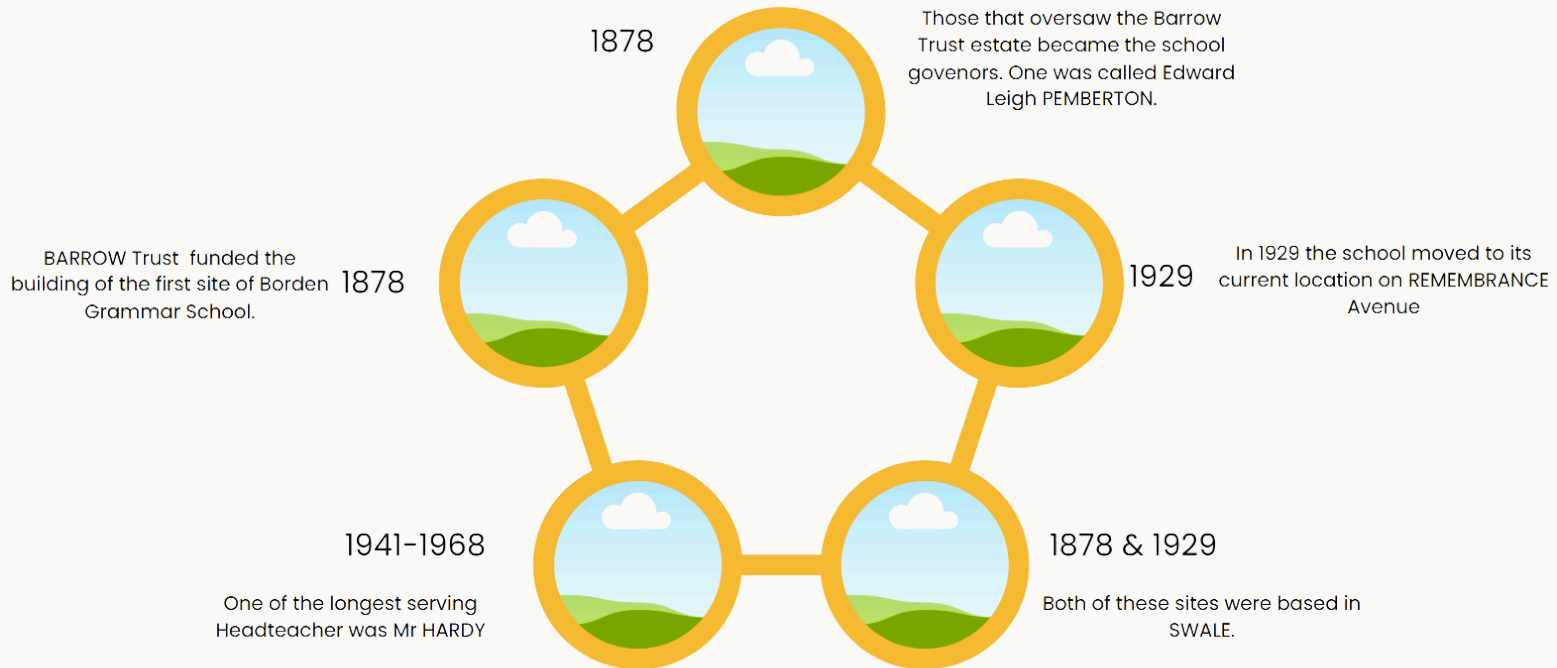

The House System

In January 2026 we saw the official reboot of the house system, a Borden legacy that has been revamped in order to create many more opportunities for **community, teamwork, compeition** and **enjoyment** whilst at school.

Below you can see a diagram which talks through how the names for each of our hoses were chosen:

BARROW, HARDY, PEMBERTON, REMEMBERANCE & SWALE—our fantastic five!

Each house flaunts its own dazzling crest, born from the legendary first inter-house showdown where Barrow snagged the glory! Every term, we mix it up with wild and wacky competitions, ensuring everyone in your house gets a shot at stardom.

This year's thrilling events? We've had a spelling bee, a geography quiz, and the grand spectacle of sports day! As each term wraps up, we throw a joyous celebration assembly where the Head of House spills the beans on house points and showers praise on term triumphs.

The suspense is real, everyone! You'll discover your house on day one in September. Get ready for the epic adventure!

Bullying and Protected Characteristics

We have a total zero tolerance on any kind of bullying or intimidating behaviour. We believe that everyone has the right to feel safe and happy at school and I'm sure you will agree with that! We have anti-bullying ambassadors across the school who work together to educate and promote the school's ethos on anti-bullying.

It is really important that you are aware of protected characteristics, as a school we take any actions against a protected characteristic very seriously. We will educate you on acceptable use of language as well as the schools behaviour policy for this type of behaviour.

We would recommend that you are aware of the protected characteristics

Every year we train anti-bullying ambassadors in order to look out for the signs that someone is being bullied and to spread the anti bullying message.

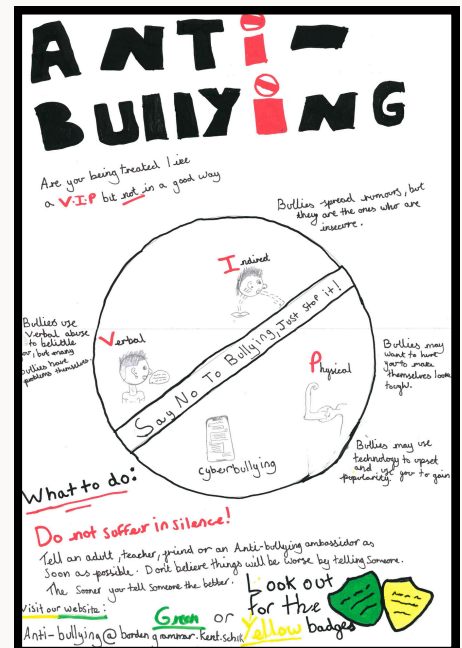

Perhaps you will become one during your time in Year 7?

Travel and Arrival at School

It is probably a really good idea to get familiar with the journey you are going to take to and from school. Some of you may use public transport (a public bus, a school bus or the train) others may walk or get dropped by car.

It's important that you familiarise yourself with your new routine
Here are 5 Travel Top Tips from our current Year 7's:

1. Try to get to the bus stop/train station a little bit earlier before the bus/train is due to arrive
2. Get to grips with the bus times so that you have a plan should you miss the bus one morning! You can always ask your parents, bus drivers or other students for help, try not to panic
3. Only cross the road when it is safe to do so - use the signposted crossings
4. If there are any incidents on your journey to or from school, report them to a staff member when you arrive at school or let the bus driver know if something is happening on the bus.
5. Remember that the bus companies work closely with the school and there is CCTV on the bus, whilst you are in Borden uniform you are representing the school

Breaktime, Lunchtime & The Canteen

Break and lunchtime at our school may look quite different to what you are used to at Primary school. The whole school has break time at the first time and then lunch is split into Key Stage 3 and then Key Stages 4 & 5

Break Time

This takes place after Period 2 at 11:10 till 11:30.
During Break Time you can visit the canteen for food, visit the school library or head to the designated social spaces for your year group (you will be shown this on your first day in September)

Lunch Time

Takes place after Period 3 at 12:30 till 13:15. Years 7, 8 and 9 are at lunch at the same time.
You can eat your lunch in the school hall or outside under the canopy area or the MUGA.
During the summer terms we also open the Sale Field during lunchtime.

The Canteen

You can choose to bring a packed lunch, use the canteen or do a mixture of both!
Lunch can be eaten in the Hall or outside in the designated social time spaces, we have benches and a covered canopy area for you to enjoy your lunchtime whilst eating your food and socialising with your friends.
Our canteen runs a **cashless system**, you will pay for your food/drink by fingerprint and so a parent/guardian will need to add money to your account so that you can purchase items, details on this will be shared soon!
The canteen is full of delicious meals and snacks, we also have a Food Pod outside which serves cold food!

Please visit the school website for more information

Toilets

We recommend that you make sure that you have used the toilet during social times so that you don't miss out on any learning

Our Top Tips

Here are 20 top tips from our current year 7's which you may find helpful/useful for starting at Borden Grammar School:

- Speak to as many people as possible about things you are interested in – they are probably just as nervous as you are!
- Get homework done as soon as possible after it is set – it can build up otherwise!
- Make sure you have all your equipment by checking your bag every morning before leaving for school
- Make sure your uniform is smart and correct
- Think about your behaviour in the school corridors and make sure you follow the one way systems
- You can talk to anyone if you need help! Everyone is really friendly and was once in your position
- Try to make a good first impression with your teachers and classmates
- Try to make a new friend during transition day, it makes the first day of year 7 less daunting
- Try to schedule your time and work backwards, think about how long it will take you to get to school, how long you'll need to get ready and then you'll know what time you need to get up each morning.
- Set a reminder for Sparx Maths homework every week so you don't forget
- Although the school looks big from the outside, it's actually not that big so try not to feel overwhelmed.
- Sometimes, having lots of people from your primary school at your secondary school is a good thing, but even if you're the only person joining Borden from your primary school, that's okay! You can still make friends
- Remember that you deserve to be at Borden and have earned your place here!
- There is always a teacher or a member of staff you can talk to if you're feeling down or stressed
- Try to learn your timetable quickly – use Arbor, have it printed (and possibly laminated)
- Make sure you eat breakfast in the mornings and bring enough water
- Make sure you know where the lost and found is kept (just in case!)
- Always have spare equipment
- Make sure that you get to grips with the schools policies
- Ask questions! If there is something you don't know please feel free to ask your form tutor or HoY or a student! We are all here to help you

FAQ's

- **What should I bring on my first day?**
 - On the first day you will spend quite a bit of time within your form groups learning about school life at Borden and getting to know the people in your classroom. Make sure you bring your everyday equipment with you, lunch if you are not going to visit the canteen and a positive attitude
- **How do I find my way around the school if I get lost?**
 - You will be given a map on your first day and have a detailed tour of the school with your form tutor and form group. There is also a map at the back of this welcome booklet so that you can start to get familiar with the school layout. If you are ever lost during your first few weeks, don't stress! You can ask any student or staff member for help and they will be more than happy to show you where you need to go.
- **Do I go to lessons with my form group?**
 - Yes, you will spend all of your lessons with your form group, apart from DT lessons where you are mixed up into smaller groups made up of 2 or 3 form groups
- **What happens if I am late or miss the bus?**
 - If you arrive at school late, you will need to enter school via the front gate where a staff member will direct you on whether you need to sign in at the main reception or need to make your way to your current lesson. We understand as a school that sometimes it is out of your hands if you are late, but persistent lateness will lead to a detention so strive to get to school on time!
- **Do I have the same teacher for all subjects?**
 - You will have a different teacher for each subject, there may be times where you have the same teacher for 2 subjects, this typically happens in DT and Art or Music and Drama
- **How is homework set and where can I find it?**
 - Your teachers will set your homework on google classroom, sometimes you will need to submit homework online or in person – your teacher will be really clear with you each time.
- **What should I do if I'm struggling with a subject?**
 - If you feel you are struggling in a subject, it would be best to speak with your teacher about it so they can help you! Teachers at Borden are always happy to help and will come up with engaging and creative ways to support your learning.
- **Can I go off-site at lunchtime?**
 - Unfortunately not! However we do have designated social spaces for you to spend your lunchtime and a canteen with food you can purchase.
- **Are there any school sports teams I can join?**
 - We have a large variety of sports teams that you can join, ranging from Football, Rugby, Cricket, Athletics, Basketball and many more! We even very recently started a Golf club!
- **What if I don't know anyone at the school?**
 - You will make new friends at Borden! Everyone is super friendly and all the year 7's are in the same boat as you, even if they have people from their primary school with them. During the first few weeks at Borden, during form time you will complete activities to help you all in getting to know each other and building new friendships. You could maybe join a club to meet new people and try new things!
- **What should I do if someone is being unkind or I see bullying?**
 - We all look out for each other at Borden and so if you are experiencing unkind behaviour please report this to a member of staff, your form tutor or your head of year. We have an anti-bullying policy and we can assure you that Borden takes all bullying behaviour very seriously.
- **Who can I talk to if I have any worries/queries?**
 - Your form tutor is someone that you will see every morning and will get to know you very well, we would recommend chatting to them if you have any worries/concerns and then they can pass this on to Miss Irinoye if need be. You can also speak with any of the teachers that you feel comfortable with.
