Dear Parents/Carers,

GCSE Easter Revision Sessions - April 2021

I am pleased to advise that a number of staff are giving up some of their Easter holiday to provide some revision sessions for students. Please find enclosed a timetable for Easter revision sessions which will take place at Borden from Tuesday 6th April to Friday 9th April inclusively.

These are in addition to the planned term-time revision lessons.

- Morning sessions will run from **9.30am – 12.00pm**
- Afternoon sessions will run from **12.30pm – 3.00pm**.

Please note subjects will also be running revision sessions and booster classes for students during lunchtimes and after-school during the remainder of Term 4 and in Term 5.

If your son would like to attend any of the sessions listed, then please return the reply slip attached to Miss Bateman by **4.00pm, Monday 29 March**, (the schedule of revision sessions is repeated on the back of this letter for you to keep for reference). Please note that if not enough students sign up for a particular session it will be cancelled. Any cancelled sessions will be notified through Edulink. Preferably replies to be submitted at this link:

Clearly, availability for some classes is limited due to the number of teachers providing a session. In the event that a revision session is over-subscribed, some students may not secure a place. Please note that the Mathematics sessions on Tuesday 6th is for Year 10 statistics and on Thursday 8th April for Mr Okwok's Foundation Maths group only. The English session on Wednesday 7 April is only for students that have been asked to attend by Mrs Brooker.

Your son may wear casual clothes for the revision sessions. Please note that the school canteen will not be open during the holidays. Students will only be allowed off-site during the lunch break *with your consent*, if you do not give consent please inform us accordingly, and provide your son with a packed lunch if he is here for a whole day.

Yours faithfully,

Mrs M Brooker
Assistant Headteacher. KS4

Headteacher: Mr A Tomlin MA NPQH
