23 June 2021

Dear parents and carers,

I am writing with more information about our planned summer school transition day. As mentioned previously, this day will be an opportunity for your child to get to know his new form members, to familiarise himself with the school and participate in some literacy, numeracy and enrichment activities. Please do not worry if your child is unable to attend as we will also have a full day to ourselves in school, on the first day of the new school year in September. This will ensure that those who were not present in August will have the chance to get to know their new surroundings and ask lots of questions, all before our other year groups start back.

The summer school day for your child's form group is: **Mon 16 August (Group A) / Tue 17 August (Group B) / Weds 18 August (Group C), Thur 19 August (Group D), Fri 20 August (Group E) – your son's group will be confirmed by email**

Registration between **9:00 and 9:30**

Finish at **2:30**.

At the time of writing this, a summer transition day is within Government guidelines for the current COVID situation. Needless to say, this situation is ever changing and so, whilst our plan is to go ahead with this exciting event, we are very much tied by guidelines dictated to us by the Department for Education (and this information often comes at the last minute!).

If you would like to sign up for this day please could I ask that you fill in the Google form (link below) **by Monday 28th June**. My apologies for the quick turnaround but this will ensure that we can secure the funding necessary for this day.

<https://forms.gle/CeV3Zafv8N9Tkeet9>

A detailed plan for the day, including food and drink arrangements and what to wear will be sent through before the end of term.

If you have any initial queries about summer school please do contact us here at school.

Finally, a reminder that we will be holding a 'live' Q&A event on Monday evening (28th June), from 6.30 – 7.15pm, when Ashley Tomlin, Richard Artingstoll and myself will be available to answer any questions; a link to this will follow separately.

Thank you for your patience and support.

With very best wishes,

Mrs Julie Frost
Head of Year 7

Headteacher: Mr A Tomlin MA NPQH
