Dear Parents/ Carers,

Re: Year 10 Virtual Parents' Evening – Thursday 17 March 2022

We have organised an opportunity on Thursday 17 March, between 3.45 – 6.15pm for you to have a video consultation on the Edulink program. The purpose of the evening is for you to meet with your son's teachers, to look at the progress that has been made towards his GCSEs and to highlight any areas they may need to develop. Mr Weller (Head of Year 10) will unfortunately not be available for a separate consultation as he teaches Year 10 classes.

To assist in the smooth running of the evening, we will be operating an appointments system via Edulink. The parents' evening event is found by clicking the "Parents Evening" icon on the Home page of Edulink (or it may be on the 2nd page which is found by clicking "More" button. This will then direct you to an appointments screen for your son's subject teachers and the available slots to book for 17th March (3.45 – 6.15). Bookings will open from 6.00pm, Tuesday 8 March, and remain open for bookings until 12 noon on Thursday 17 March.

It is very important that your son accompanies you at this meeting as it is extremely useful for you and him to hear of his progress first hand. It is our aim for you to be able to talk to one of the subject teachers rather than all teachers of a particular subject. Please note that video consultation times are five minutes long. If you are unable to be available for Parents' evening, you are invited to contact the Head of Year via the main school email.

Yours faithfully,

Ashley Tomlin
