18 July 2022

Dear Year 11 Parents and Carers,

I hope this letter finds you all well. I am writing to confirm arrangements for the collection of GCSE examination results day on **Thursday 25 August**.

Exam results will be issued on Thursday 25th from **9.30 – 11.00am**. Results will be available in the Hall and members of the Leadership Group will be available for one to one appointments to discuss post-16 options between the timings above. Students will enter the Hall via the entrance on the outside of the school near to the water fountain, collect results in the Hall, exit into the quad and leave via the East door.

If your son is unable to collect his results on the day they can be collected by a family member during the specified time slot. However, this family member must have with them a letter of consent signed by the student stating the name and address of the person who will be collecting their results and the person collecting their results must bring with them identification which includes their address. Under data protection rules we are unable to give results out over the telephone or via email. If you wish for your son's results to be posted home please drop a stamped, addressed envelope into the school office before the end of term on Wednesday 20 July.

Please bring any outstanding textbooks or revision folders that you may have at home and hand them to Mr Finch in the hall.

I wish all the students and their families a relaxing summer holiday.

Yours faithfully,

Mrs. M. Brooker
Assistant Headteacher KS4

Headteacher: Mr A Tomlin MA NPQH
