15 July 2022

Dear Parents/Carers,

A Level Results Day - Thursday 18 August 2022

As the academic year 2021/22 draws to a close I would like to draw your attention to the arrangements for collecting A level results on Thursday 18 August.

On Thursday 18 August A level results will be available for collection in school from 9.30 – 11.00am.

Students must arrive during their allocated time and access the school through the East door and head to the school hall where results will be distributed. If any students are not able to attend on 18 August they should bring in a stamped, addressed envelope to the school office and their results slips will be posted home. Alternatively, if your son/daughter is unable to collect their results on the day they can be collected by a family member during the allocated time. This family member must have with them a letter of consent signed by the student stating the name and address of the person collecting the results. This person must also bring identification with them to confirm these details. **Please note that no results will be given out over the telephone or via email.**

Students will be able to log into their UCAS track account before arriving in school to find where they have been placed as normal. If a student is put into clearing or wishes to go through clearing in order to secure a University place, myself and other members of staff will be on hand to help with this process. As usual I am available on email should you have any questions or concerns in the lead up to results day. I hope that you are all able to enjoy the summer this year and I look forward to seeing the students on 18th August.

Yours faithfully,

Mr C Brinn
Head of Sixth Form

Headteacher: Mr G Mulligan BA (Hons) MBA
