9 September 2022

Dear Parents/ Carers,

## Year 10 Information Evening – Thursday 22 September 2022, 5.30 – 6.30pm

You are invited to attend this important evening for Year 10 parents and students. Taking place in the Hall, the aim is to provide information on the following areas:-

- Expectations of pupils in Key Stage 4
- Supporting your child in Key Stage 4
- The nature of GCSEs
- Opportunities and choices post-16

There will be presentations from Mr Tomlin, Miss Phillips (Head of Year) and myself, Miss Powell (Head of Key Stage).

This will be a valuable evening in helping parents to understand and support their sons through their GCSE studies and you are urged to attend. Your son is also encouraged to come, he does not have to wear school uniform but we do ask that he sits with you during the talks. I would not expect the presentations to last more than one hour and there will be opportunities to ask questions at the end.

I would be grateful if you would confirm your attendance using the link below and indicate how many seats you will require. <https://forms.gle/L9RDCuFZA3GEbrj78>

I look forward to seeing you next week.

Yours faithfully,

**Miss R Powell**  
**Assistant Headteacher KS4**

Headteacher: Mr J R Hopkins BA (Hons) NPQH
