Dear Parent/Carer,

Re: Casio Scientific Calculator FX-991EX CLASSWIZ

As the head of mathematics at Borden Grammar School, I am writing to offer you the opportunity to purchase one of these calculators to help your son with his mathematics course up to and including GCSE and possibly beyond. It is a model that they are allowed to take into their examinations and will put them in the best position to compete with other candidates across the country. Consequently, I would whole heartedly recommend that your son has one. I have been able to secure the purchase of them at the significantly discounted price of £19.99. (At the time of writing this letter these specific models are being sold on Amazon for upwards of £32.00 with a RRP of £32.99.)

Should you wish to purchase one of these then a payment can be made via the BGS online payment system. Details of how to make online payments have been issued in personalised letters for each student's parents. If you require a new copy, please contact the Finance Officer, Mrs Rich, at rich@bordengrammar.kent.sch.uk and she will send one out. If cash payments are made, students must deliver them in person to the Finance Officer or Bursar and a receipt will be issued. Cash payments can only be accepted at morning registration or morning break and MUST NOT be posted through the Finance Office letter box.

When making an order, please return the attached form detailing the payment method you wish to make. Once the payment has been made, this will generate an order and your son's calculator will be issued to him as soon as they arrive in school.

Yours sincerely,

Mrs E Carter
Head of Mathematics

Headteacher: Mr A Tomlin MA NPQH

Name: _____ TG: _____

I wish to purchase a Casio Scientific Calculator model FX-991EX CLASSWIZ making a one-off payment of £19.99

- By on-line payment
- By cheque
- By cash
