Notes for Parents and Students

Students are to wait outside the exam room, quietly, until asked to go inside. There is to be no talking in the exam room before, during or after the exam. Bags should be left outside the room, only taking in black pens, pencil, calculator etc as required for each exam, no books unless specified by subject teachers. Pencil cases are to be transparent. Mobile phones and smart watches must be switched off and will be collected in by an invigilator before the exam commences. Watches of any kind must not be worn; these will be collected by an invigilator before the exam commences. In the unlikely event of a student not being present for an exam, the student will be expected to sit the missed exam in the earliest catch-up session that they do not have a timetabled mock exam.

In relation to afternoon examinations, students who are entitled to additional time, should take this into consideration when organising methods of transport home.
