Peer and self-assessment in class demonstrations each week. Verbal teacher feedback. Personalised target in booklet from teacher in week 3/4 of project (with MRI). Homework: Samba research project</p>

Rationale:**Unit 1**

- First time for many students playing keyboard (some will not have studied music before).
- Introduction to notes on a keyboard, simple note lengths and how to follow a single line of stave notation.
- Introduces some of the elements of music, with a particular focus on pitch, tempo and dynamics.

Unit 2

- First time for many students playing ukulele (some may have played briefly in primary, but possibly not for several years).
- Introduction to how to play chords, read chord diagrams, use strumming patterns and add vocals.
- Introduces some of the elements of music, with a particular focus on chords, rhythm and melody.

Unit 3

- Gives an insight into leadership within music and the role of a conductor
- Introduction to graphic score (picture notation).
- Introduces some of the elements of music, with a particular focus on tempo, time signature and dynamics.

Unit 4

- Explores the historical context and development of popular music styles
- Introduces the four bar blues sequence, walking bass and lyric writing
- Introduces some of the elements of music, with a particular focus on chords, chord progressions and melody

Unit 5

- Explores the historical context and development of popular music styles
- Introduces rhythmic cells and cross rhythm patterns performed on a range of drums and percussion
- Introduces some of the elements of music, with a particular focus on texture, rhythm and structure

Evaluation:

- Through assessment (self, peer and teacher twice during project).
- Consolidation through homework
- Quality Assurance in school and in collaboration at music hub meetings
- Student feedback
