Dear Parents / Carers,

You will remember I wrote to you at the end of the academic year regarding the purchase of the set texts for your son as he continues into his final year of his GCSE course. The response from parents was overwhelmingly in support of students owning their own copies in order that they would be able to make their own notes and annotations in the books and have their own copies available for re-reading and revision.

As a department, we are able to purchase these texts in bulk, at a discounted rate; please see below for the price (depending on the specific texts your son's English teacher teaches) for the three set texts your son will eventually have covered by the exams.

In the event that you would not wish to purchase copies for your son, he would be issued with a copy of the text from the library for lesson usage, so he would not be disadvantaged in terms of having the relevant resource. This copy cannot be written in however, and cannot be issued from the library on permanent loan.

If you would like to purchase copies of the required texts for your son, please indicate this on the slip below and return by Friday 14 September to the Finance Department.

Yours faithfully,

Mrs M. Brooker
Head of English
