SPANISH / FRENCH CGP REVISION GUIDE OFFER

Dear Parents /Carers,

I am writing to you with information regarding the opportunity to purchase a GCSE Spanish /French revision guide for your child. I am aware that students often find independent revision for Modern Foreign Language exams difficult due to the nature of the subject. Similarly, parents have expressed in the past that it is a difficult subject to support their child with, if they do not speak the language themselves.

With this in mind, there are two possibilities for buying a Spanish/French guide which is tailor-made to our exam board AQA - both of which can be bought with more than a 50% discount from the retail price:

- Option 1) A revision guide. This contains topic specific vocabulary, grammar and exam technique advice. There is a small number of exercises to complete with answers at the back. This comes at a discounted cost of £2.50.
- Option 2) A revision guide with exam practice in all skill areas. This resource also comes with a CD-ROM for listening practice and contains full answers to all exercises. This comes at a discounted cost of £6.50.

If you would like to take advantage of this offer, please return the form below to the Finance office by Monday 26 November along with full payment for your chosen option. Orders will then be placed and guides distributed before the Christmas break.

Yours faithfully,

Mrs J Frost
Head of Modern Foreign Languages
