Dear Parents / Guardians,

Re: A Level PE Students Visit to University of Kent, Chatham

On Wednesday, 6th March 2019 we will be running a visit to the sports science laboratories at the University of Kent, Chatham. Here pupils will be given an opportunity to see how many of the topics studied in A Level Physical Education are applied in to real life testing using state of the art technology and expertise.

The trip will leave Borden after AM registration and pupils will return by lunch time so, therefore, will be present for period 4. Pupils are asked to wear full sports kit including suitable trainers as they will be taking part in a variety of workshops and physical testing procedures. This trip is free of charge and is a golden opportunity for pupils to experience elite level sports science and broaden their interests in the subject, so attendance is strongly recommended to support progress in the subject.

Yours faithfully,

Mr J Weller
Teacher of Physical Education

Headteacher: Mr J R Hopkins BA (Hons) NPQH
